

Heartland Division Newsletter

The Heartland Division has had quite a busy spring and summer, and we've enjoyed seeing many of you at our events and educational programs. Thank you for your continued support. Below are highlights from our walks, and information about upcoming events.

Liver Life Walks

Our Liver Life Walk in Cleveland was held on May 31st. We welcomed **1,315 walkers**, representing 69 teams, at the Cleveland Metroparks Zoo for our largest Cleveland walk yet, despite some terrible weather.

Together, we raised \$86,237 for the American Liver Foundation.

The poor weather continued in Cincinnati on June 20th, but our walkers still came out and made the best of it. We had **432 walkers** registered, and 38 teams. **We were able to raise \$55,261 for the fight against liver disease, marking the Liver Life Walk Cincinnati's best fundraising year ever!**

Our last Liver Life Walk of the year is taking place in **Indianapolis on Saturday, August 15th at White River State Park**. It's not too late to join us! Visit www.liverfoundation.org/walkindianapolis for more information.

Make a Difference

The American Liver Foundation has launched a new fundraising platform, called **Make a Difference**. This is fundraising **YOUR WAY**. Host a bake sale, bowling night, garage sale. participate in a local race. Whatever your idea...ALF will provide you with the tools needed to fundraise and to make a difference in the fight against liver disease. This is a great way to support the organization if you live in an area where we don't currently offer events. Thank you for considering supporting the Heartland Division by making a difference.
