

Heartland Division Newsletter July 2013

Happy Summer from the American Liver Foundation and the Heartland Division! We had an exciting spring, with many successful events and programs, and we have several things ahead that we want to share with you.

Liver Life Walk

We hosted our Liver Life Walk events in **Cleveland** and **Cincinnati**, and together the walks raised \$120,726 for the American Liver Foundation! 1,492 walkers joined us at the two events, for a record-setting year.

It's not too late to support the Liver Life Walk by making a donation online at www.liverfoundation.org/walkcleveland or www.liverfoundation.org/walkcincinnati.

Thank you to everyone that helped us reach such fundraising and walker recruitment success!
