

SHOW-ME ECHO

ECHO AUTISM

AUTISM SPECIALIST SUPPORT FOR PRIMARY CARE

Get expert autism specialist knowledge in a virtual learning network with University of Missouri Health Care providers.

Learn about best practices and evidence-based care for children with autism and developmental behavioral concerns, including:

- Screening and diagnosis
- Common medical concerns in children with autism
- Common behavioral and psychiatric concerns in children
- Successful office visits

WHAT DOES ECHO AUTISM OFFER?

- Free CME for health care professionals*
- Collaboration, support and ongoing learning with experts and other physicians
- Patients get better care in their own community

WHY ECHO AUTISM?

Many communities in Missouri have no meaningful access to expert autism care, and families touched by autism need medical support in their home communities.

Access to specialist knowledge improves lives, reduces health care costs and improves access to care for thousands of children in Missouri.

READY TO JOIN? Visit showmeecho.com

Missouri Telehealth Network

University of Missouri Health

HOW DOES IT WORK?

- Join an online video conference weekly or bi-weekly
- Discuss and share:
 - case presentations by participating providers
 - a brief, high-yield didactic presentation by autism experts

**See website for current clinic schedules and CME information.*

TOPICS FOR CASE-BASED LEARNING AND DISCUSSION INCLUDE:

- Common medical conditions in children with autism
- Common co-occurring psychiatric concerns
- Supporting feeding, sensory and behavioral concerns
- Screening and referral best practices
- Identifying underlying medical concerns in children with limited communication
- Successful office visits and lab
