Tom Nealon  
Chief Executive Officer  
American Liver Foundation  
39 Broadway  
Suite 2700  
New York, NY 10006

Dear Tom:

I am pleased to inform you that the American Liver Foundation has met all of the new requirements of the National Health Council Standards of Excellence Certification Program<sup>®</sup> and is in full compliance.

This means that your organization adheres to the 38 standards adopted by the National Health Council's board of directors to ensure that our voluntary health agency members maintain the highest levels of transparency, accountability, and public stewardship. The standards cover the areas of governance, human resources, programs, fundraising, finance, accounting and reporting, and evaluation.

We believe that our voluntary health agency members derive enormous credibility with constituents, donors, and the general public through their adherence to the National Health Council Standards of Excellence.

Thank you for your efforts to achieve compliance. Congratulations on your excellent rating!

Sincerely,

Marc Boutin  
Chief Executive Officer
