

# FIRST ANNUAL LIVER WEEK

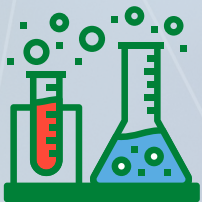

AUGUST  
24-28  
2020

## LIVER CANCER

- Liver cancer is **one of the most common cancers** in the world and is now the **fastest-growing cause of cancer death**.
- It is estimated that **in 2020** approximately **42,810 new cases** of primary liver cancer and intrahepatic bile duct cancer **will be diagnosed** and approximately **30,160** of those **patients will die**.
- Liver cancer affects men three times more often than women.

## WHAT IS ALF DOING?

### FUNDING RESEARCH

The American Liver Foundation has granted over **\$1.1 Million dollars** to researchers for the continued study of liver cancer.

### EDUCATION & AWARENESS

[Educational Videos](#)

[Online Information Center](#)

[Community Education](#)
